

Accommodation at the centre . .

At Eclipse we aim to make your stay as comfortable and relaxing as possible, so the accommodation is in single rooms (unless you are a couple) and is in our school house or close by in the village; and of course, bed linen and towels are provided. Cooking is one of Su's passions & we can provide special diets on request.

Each evening a three course dinner and a glass of wine is served in our 17th Century cottage in the village. Su uses locally produced organic meat, poultry and fresh fish. The home-made desserts, sometimes using our own or locally picked fruits, have become a keynote during each course. Breakfasts are served in the school house and you can choose from a full English breakfast menu with cereals and juice, tea, coffee and toast.
